Inspire. Achieve. Contribute.

We are at the end of another great half term at Noor ul Islam Primary School. Our focus has been on a range of assessments across the school and reporting to you on progress so far.

Inspire: We are here to inspire! We are so proud of how hard the children, staff and families have worked to keep the focus on learning and, importantly, the enjoyment of learning. The care and consideration of children's social and emotional needs has also been at the forefront of what we do to inspire our children to succeed.

Achieve: Going above and beyond is just what we do here at Noor ul Islam Primary School to achieve success, both in the classroom and outside of the classroom masha Allah.

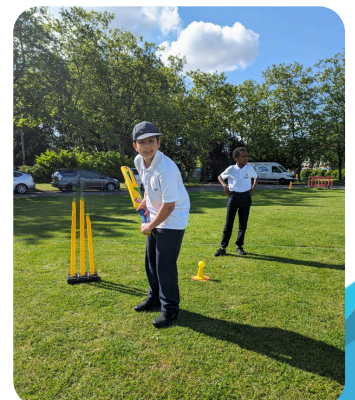

Contribute: With your contributions, we have been able to raise enough funds to carry out the much-needed playground resurfacing work. It is credit to the whole school community: children, staff, governors, the trust and parents working together that has made this possible.

We wish you all a happy and restful half term holiday. There is still so much to enjoy together as we move into the final half term of this year. Check out the important dates for the range of things to look forward to! Exciting! I can't wait!

PTFA highlights from the event

Located at the prestigious Eternity Halls, set within a picturesque and peaceful setting, this event promised to be an evening of deep reflection and calmness. An opportunity for the entire family to recalibrate.

With the grace of Allah swt, the PTFA's largest event yet was a tremendous success, Alhumdulillah! The event was completely sold out days before. The goals set out by the team were delivered to the best of our ability.

Both parents and children were thoroughly engaged by the evening's programme and we were delighted to see families attend from our school community and beyond.

PTFA's largest event yet, was a tremendous success!

Family Feast for a Cause

The family, the core of our society, ultimately the heart of our event, was centric to all reminders, performances, fundraising and finally the much loved Noor Ul Islam Family Quiz!

We pray that the families present have benefitted thoroughly and we request you to overlook any difficulties you may have experienced on the evening.
